teleconferencing) into the Cross-Cultural Organizational Commun.	ication
and Professional Communication Skills courses; (b) enhancing st	
professional communication skills through simulations and field r	
requiring interaction with managers and expatriates; (c) using so	
projects to theoretical framework international business context;	
supervising PhD students in intercultural business communication, o	. ,
	verseas
專長領域 adaptation, and impact of cultures on merger and acquisition.	
Specialization B LE M Line Tile 6	c
Research Focus. My research is centered in four areas. The first area	
on refining and expanding the language-based communication zone	
that was previously published in 1996, 2001, 2006, and 2007. Pres	-
have contracted with Routledge to complete my research in a bo	
consolidates and completes the model. The expected completion	
June 2021. The second area examines cultural and language influe	ence on
communication and leadership behaviors in decision-making meeting	gs. The
third area compares the adjustment of expatriates from different cul-	tures to
their overseas assignments. The fourth area focuses on the improve	ment of
teaching through the use of information communication technology,	student
projects, and simulations.	

研究成果 Research Projects	Funded Research Grants. Since my appointment at City University of Hong Kong in 1994, I received funding for 50 research projects in my capacity of Principal Investigator. I also involved 3 research projects as the capacity of Co-Investigators. The total amount of funding received in my capacity as Principal Investigator is approximately 10 million Hong Kong dollars.  Publications in Summary: 7 books/textbooks/edited books (including 1 accepted research monograph proposal due June 2021 by Routledge); 46 international refereed journal articles; 12 book chapters; 1 research monograph; 12 working papers; 37 refereed conference proceedings; 28 plenary addresses/panel discussions & invited workshops on research methodology; 95 conference presentations.
